"Dinner for One"

Starring Ann Deatherage & Steve Glauber

Slapstick comedy called "Dinner for One" is a staple for German television on New Year's Eve. The sketch profiles the elderly Miss Sophie, a seeming scion of the English aristocracy, as she celebrates her 90th Birthday with four friends and her butler James. The odd thing though is that her friends are all long since dead. Tonight's sketch is produced by Deborah Garrett and Mary Loudon.

They became one of the premier Beatles celebration bands in the mid-west. These talented veteran musicians formed out of the influence of The Beatles, and their culture changing effect on the world!
